

Announcement
III Inter-American Infrastructure Forum 20-21
Second (Virtual) Session

“Investment in Infrastructure: Institutions and Resource Mobilization”

Date: Wednesday, April 21, 2021

Time: 10:00 a 12:30 EST

Inter-American Infrastructure Forum: Objective

Share experiences and points of view among those responsible for public infrastructure policies in key institutions of LAC countries and the business world about the new directions in the field, after the impact of the pandemic caused by COVID 19. Based on lessons learned and international practices we believe it is possible to conclude on specific actions and initiatives to improve our public policies in this field to advance on the path of development. Since 2018 the Forum has become the meeting place for senior national authorities to reflect on long-term policies in public infrastructure.
